Stefan Savic

Derventa, BiH • (+387)66-364-396 • stefansavic072@gmail.com

Project Summary

AI-Powered Tech Store
Technologies: NodeJS | ExpressJS| MongoDB| Gemini Ai| EjS | .env | Git

Languages

- English

Skills

- **Programming languages** (JavaScript, HTML, CSS,)
- **Backend & API Development** (NodeJS ,ExpressJS, RESTful APIs)
- **Cloud & DevOps** (GitHub, Git)
- **Databases** (MongoDB, MySQL, Redis)

Work experience

I know I'm just starting out and have no experience, but I have a strong desire to learn and prove myself. **I am ready to start an unpaid internship** - it is important for me to learn through work and be part of a team.
